

Modified Supplemental Instruction (MSI)

AMS 11B: Mathematical Methods for Economists

MSI Homepage: <http://eop-apps.ucsc.edu/MSI/>

What is MSI?

- MSI provides an opportunity for students to learn together in small groups led by advanced students.
- The MSI sessions' focus will be on the homework assignments and examinations with the goal of assisting students to become independent problem solvers, effective learners and to achieve excellence.
- The Learning Assistant will be available to answer questions from the lectures and assigned readings, discuss assigned papers, and to assist students to prepare for quizzes and examinations.

How does MSI work?

- You may attend any MSI session at any time during the quarter without making a weekly commitment, among those sessions outlined below.
- MSI sessions are available on a first come, first served basis and are limited to approximately 10 students per group.
- See your Learning Assistant for more details.

In order to compare the course performance data for students who attend MSI and students who do not attend, we will be asking the professor for course records.

When and where?

Day	Time	Location	Learning Assistant
Friday	11:00 - 12:10PM	ARCenter 203	James Chubb
Friday	9:30 - 10:40AM	ARCenter 203	James Chubb
Monday	3:30 - 4:40PM	ARCenter 202	James Chubb
Thursday	12:00 - 1:15PM	ARCenter 202	Vivian Vuong
Thursday	2:00 - 3:15PM	ARCenter 202	Vivian Vuong
Tuesday	10:00 - 11:15AM	Oakes Learning Center	Vivian Vuong

If you have any questions, please let us know!

James Chubb: jchubb@ucsc.edu

Vivian Vuong: vvuong@ucsc.edu

We look forward to seeing you!
